

Peoples Bank Donates Meat to Food Pantries

Peoples Bank and Trust recently made donations to the St. Paul Grace Food Pantry and the Altamont Ministerial Alliance Food Pantry. Peoples Bank purchased two hogs at the Effingham County 4-H fair in August. They were processed and the meat was donated to the food pantries in Altamont. Both food pantries were very appreciative of the donation.

Peoples Bank is pleased to support the 4-H Auction and the Food Pantries in this manner.
