

Peoples Bank Donates Meat to Taylorville Food Pantry

Peoples Bank and Trust participated and purchased market hogs supporting the 4-H youth this past summer in Christian, Shelby, Coles and Effingham Counties. In prior years, the hogs were then delivered to a packing plant, butchered, and the meat was donated to the local food pantry. Due to challenges in getting processing dates, Peoples Bank & Trust purchased ground pork and sausage to donate.

Peoples Bank & Trust is pleased to support not only local 4-H youth but the food pantries as well. Pictured is Ty Burgener from Moweaqua, a Shelby County 4-H member, assisting in the donation of 150 lbs. of ground pork and sausage to the Taylorville Food Pantry.
