

White Hall, Illinois: As a community bank, Peoples Bank & Trust recognizes the value of volunteerism in our communities. To recognize, commend, promote, and encourage volunteerism, Peoples Bank & Trust has established a program to recognize outstanding community members for their volunteer efforts to improve our community.

Peoples Bank & Trust would like to recognize Allison Tepen as our “Volunteer of the Quarter” for her work with the North Greene Boosters. Allison is the current Treasurer, and has been involved within the North Greene community since her NG cheer days, and even more so with her three boys who are all involved in sports!

The NG Boosters host every home sporting event for the Jr High and High School with an affordable concession stand. To make the stand more successful, Allison procured a food handler’s license so that they can cook and grill the food they provide. The proceeds from the concession and other fundraising activities goes right back to the kids’ sports programs, and over the last few years, the NG Boosters have given back over \$80,000!

The NG Boosters meet monthly and welcome parents and educators to attend and help plan/participate in fundraising events. Please reach out to the school with questions on how you can get involved.

In honor of Allison’s services, Peoples Bank & Trust is making a \$250 donation to North Greene Boosters, in her name. Allison’s name will be added to a plaque on display at the bank, recognizing past volunteers.
